"If you want your people to be encouraged and challenged at the same time, the Lord has chosen to touch Erica Branch with an unusual presence and power to bless His church. God always uses her at First Baptist Church Woodstock."

~Dr. Johnny Hunt

WOMEN'S MINISTRY SPEAKER ~ WORSHIP LEADER ~ CONCERTS

God has allowed Erica Branch to influence lives all across the United States through inspirational praise and worship. Erica shares her awe-inspiring testimony of how God's mercy and grace have sustained her through tumultuous circumstances. Through God's strength, she has been able to passionately express her love for Christ with her commanding presence and powerful voice. She will bless and encourage your women's group, worship service or special event.

Erica considers it a privilege to share a clear Gospel presentation whenever she performs. Raised in the Roman Catholic faith, she started attending First Baptist Church Woodstock as a teenager. After attending for several months, she realized that she had a religion instead of a relationship with Jesus Christ. Erica's life was eternally changed when she placed her faith in Jesus on March 13, 1988. Upon giving her life to Christ, she felt immediately called into music ministry.

Erica has been a full-time music evangelist since April of 1993. Her ministry is based out of the dynamic First Baptist Church Woodstock. Erica and her husband Paul live in Woodstock, Georgia with their two little girls, Carolina and Cassidy, and their baby son Joseph.
